Elaine:

We just wanted to run an alternative concept by you to possibly resolve this situation. Given it looks a though there is no way to recruit the current FNs directly, then we could put together an agreement/change with the Navy and MCM for a month extension of the contract, subject to MCM's cooperation in the transition and hiring of the current FNs. If no cooperation by MCM is possible, then a two month extension/change and Seaward gets an all new FN crew.

Please let us know if you would like to discuss.
